FIRST CHURCH OF CHRIST, SCIENTIST
 West Avenue, Sewaren
 This church holds Sunday School at 9:30 and church services at 11 A. M., and testimonial meetings at 8 P. M. on Wednes-

days. The readings from the desk are from the Bible and the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy. The reading room is open Thursday, 2-4 P. M., in the church building.

That true happiness is to be found through understanding the spiritual laws which govern the universe including man will be brought out at Christian Science services Sunday in the Lesson-Sermon entitled "Soul."
 Readings from the King James Version of the Bible include the following (Isaiah 65:12) "For ye shall go out with joy, and be led forth with peace: the mountains and the hills shall break forth before you into singing, and all the trees of the field shall clap their hands."
 From "Science and Health with Key to the Scriptures" by Mary Baker Eddy the following passage will be among those read (60:29-2): "Soul has infinite resources with which to bless mankind, and happiness would be more readily attained and would be more secure in our keeping, if sought in Soul. Higher enjoyments alone can satisfy the cravings of immortal man. We cannot circumscribe happiness within the limits of personal sense."
 The Golden Text is from Psalms: "The Lord is my light and my salvation; whom shall I fear? the Lord is the strength of my life; of whom shall I be afraid?" (27:1)

On the SCREEN
 "The High And Mighty."
 This film is pattern of personal drama, with its major excitement derived from the desperation of the passengers and crew of an airplane when one of the engines goes beserk when the plane is only a comparatively short distance past the midway mark from Hawaii to San Francisco. The pilot (John Wayne), whose wife and son were lost in a crash, and Robert Etack as his immediate superior, are beset by doubts as to how long their luck will last. Doc Avedon makes her cinema debut in this film as the efficient and sympathetic stewardess; Karen Sharpe and John Smith are visible as newlyweds who ally their fears with kisses; and Joy Kim is a thoroughly charming Korean making her first trip to this country.

Others in the cast who turn in fine performances are Robert Brian, Phil Harris, Ann-Doran, Paul Kelly and Jan Sterling.
 "The Student Prince."
 For the first time since this operetta was filmed with Ramon

IS the parade of smart money coming your way?

The smartest money in town is spent by *informed* buyers . . . folks who make it a practice to know **WHO'S** selling **WHAT** for **HOW MUCH** before they buy. Where do they get their information? By "shopping the ads" in these newspapers weekly, ever alert for the very best opportunities to spend their money wisely and well.

Your ad in these newspapers puts your selling message before the eyes of your best customers — both actual and potential — at the very time when they're scanning the paper for the express purpose of deciding **WHAT** to buy from **WHOM**.

People buy these newspapers because they *want* to read them. That goes for the ads as well as the news columns.

They read *both* with confidence, because these papers come into their homes as invited guests and faithful friends. Why not come along and tell **YOUR** story where it will do the most good?
